“Save the dates for **July 13th and 14th, 2018** when the third annual **Balloons Over Vermilion** will take to the skies and the grounds at the Vermilion Regional Airport in Danville,” announced event co-chair Pat O'Shaughnessy. “It’s a labor of love, and it’s worth all the effort to see the smiles on the faces of kids of all ages,” he added.

“The last two years have proven that Vermilion County loves the wonder and excitement of hot air balloons, and that so many of our friends and neighbors are willing to come together to support what is becoming our area’s signature event. So, our Steering Committee made the easy decision to bring it back for 2018,” stated event co-chair Jim Anderson. “After a brief rest our Steering Committee is already making plans for additions to the 2018 event and how to build on the success of the first two years,” he added.

The public is invited to follow Balloons Over Vermilion on Facebook and Twitter for updates throughout the year.

Balloons Over Vermilion is grateful to have the support of a team of over 600 volunteers and many community sponsors, including title sponsor Julius W. Hegeler II Foundation. Sponsorships are now available for the 2018 event. For more information on getting involved as a sponsor or volunteer contact Pat O'Shaughnessy or Jim Anderson.
